For Students:

The amount and type of training provided during the current school year as of the date of the report to the parents and legal guardians of pupils and to pupils on how to access and use virtual content provided by the district.

Event, Lesson, or Title of Training	Offered Synchronous or Asynchronous
Students received ongoing training in Google Classroom and webtools along with Zoom and Google Meet practice sessions throughout the school year. Teachers integrate these tools in their in-person sessions and students practiced using them daily in class so that in the event the school would go virtual, learning could continue as seamlessly as possible.	Synchronous
- Google classroom - Email - Zoom/Google Meet - Pear deck - Zearn - Google tools – docs, forms, slides - Amplify ELA - Mystery science - Social studies weekly - Raz Kids - Basic chromebook functions and skills (turning computer on, charging, mouse control, keyboarding, navigating the chromebook and internet, bookmarking etc.)
